ZAIN SHAHBAZ

REACT JS DEVELOPER - FRESH GRADUATE

TO WHOM IT MAY CONCERN,

I am writing to express my interest in the position of Associate Software Engineer, preferably React JS Developer.

I have been developing websites using JavaScript for two years. Currently, my working stack includes React JS. I believe my programming and front-end experience makes me an ideal candidate for this position.

I have completed Bachelor in Computer Science (BS CS) from Air University Islamabad. I have also attached a copy of my resume that outlines my academic achievements and other experiences.

I am also familiar with many domains like .NET, Artificial Intelligence, and Mobile Computing (Java) and have proven to have exceptional problem-solving skills.

Throughout the course of my career, I have perfected my web development and software testing abilities. I am a capable and consistent problem-solver skilled at prioritizing and managing projects with proficiency.

In my previous role, I contributed communication, critical thinking, and programming toward team efforts and business improvements. I am progressive-minded and in tune with new developments in my field. I have proven to be effective and collaborative with strong innovation talents. I enjoy collective brainstorming sessions which all me to coordinate activities to achieve a common goal.

You can observe my contributions in the IT Field on my portfolio.

I would greatly appreciate the opportunity to speak with you regarding my candidacy.

Thank you for your consideration,
I look forward to hearing from you in the near future.

SINCERELY,

zain
